

MEMORANDUM FOR: All Reservists of the JMRTC
FROM : Commander, JMRTC
SUBJECT : Attendance at Monday evening meetings

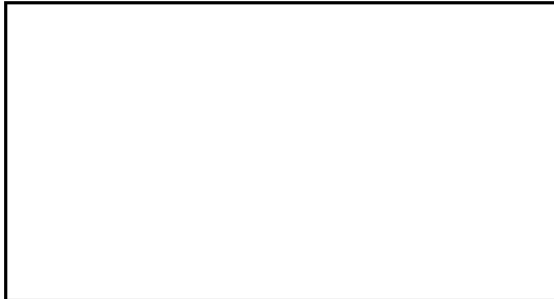

This memorandum is to advise all JMRTC members that the Monday night meeting is available to all JMRTC reservists and is an excellent way to earn retirement points.

Reservists are also reminded that as a courtesy to the speaker, the front section of the auditorium should be occupied rather than sitting in the rear.

Any recommendations or suggestions for our meetings or other reserve matters will be welcome. Please feel free to call me or any member of my staff.
